

## **Levy Fact Sheet**

Raise funds for your La Follette team, club, or group by working concessions at UW–Madison events!

### **How it works**

Levy Restaurants is the business that runs all UW–Madison concessions. Local groups sign up to work concessions at UW sporting events, concerts, etc. and earn 10% of all funds raised at that booth.

### **Who can work**

La Follette students 16 and older and adults. There must be at least one adult working at all times. There is no minimum number of participants required; if just a few people can work and you are paired with another organization, Levy will split funds between participating groups based on the number of workers you bring.

### **Time commitment**

Depends on the event. For football games, you may work up to 6 hours (but can make more money); other events may require closer to 3 hours of work.

### **How much will our club/team/group make?**

Your club or group will earn 10% of all sales. In exchange for a few hours of work, La Follette teams and clubs have raised anywhere from \$400 to \$2,500 per event!

### **Insurance**

The La Follette Booster Club, a 501(c)3 organization, pays for annual liability insurance to cover La Follette students and adults who work at Levy.

### **How do I get started?**

[Visit this page for more information and complete the short interest survey](#) (located at bottom right corner of the page — scroll down to see survey) to start the process. The form should be completed by an adult representative for your LHS club/team/group.
